Los Alamos NATIONAL LABORATORY EST. 1943

AMENDMENT NO. 1
RFP NO. 387935

ISSUED BY:	LANS SUBCONTRACT ADMINISTRATOR:
Los Alamos National Security, LLC (LANS) Los Alamos National Laboratory PO Box 1663, MS D447 Los Alamos, NM 87545	Darren Knox Email Address: dknox@lanl.gov

PROJECT NAME: Crossroads and NERSC-9 Supercomputer Systems

CURRENT PROPOSAL DUE DATE:	REVISED PROPOSAL DUE DATE:
4:00 p.m. October 31, 2016	10:00 a.m. November 17, 2016

DESCRIPTION OF CHANGES:

1. Proposal due date is hereby extended (see immediately above).
2. RFP Instructions to Offerors, Instruction 3. *Preparation and Submission of Proposals*:
   a. Page count limit for Commercial Proposal Volume remains at 50, but hereby excludes pages for conveying licenses and/or exceptions to contractual terms and conditions. No limit is placed on the number of pages in the Commercial Proposal Volume for conveying licenses and/or exceptions to contractual terms and conditions. Nontheless, Offerors are reminded of Instruction 5.d. within the RFP Instruction to Offerors, which states that failure to accept the terms and conditions as seen in the RFP may result in a proposal being deemed non-responsive.
   b. Page count limit for Technical Proposal Volume is hereby increased to 225 pages. There are no exclusions to this limit.

Failure to acknowledge this amendment in accordance with Instruction 2. in the RFP Instructions to Offerors may result in rejection of your proposal. Acknowledgment begins with signing and returning this amendment to the LANS Subcontract Administrator. Except as provided herein, all terms and conditions of the Request For Proposal are unchanged and remain in full force and effect.
