How to Activate Identity Theft Monitoring

Your legal insurance plan now offers even more protection to address life's legal issues – with Identity Theft Protection from ARAG®. This valuable benefit provides you with $1 million in identity theft insurance, as well as access to Identity Theft Case Specialists who work on your behalf to provide Full-Service Identity Restoration and Lost Wallet Services.

Plus, you can also safeguard you and your family's personal information by signing up to receive Credit Monitoring, Internet Surveillance and Child Identity Monitoring services. To activate these benefits:

Step 1:
Log into ARAGLegalCenter.com with your member username and password.

Step 2:
On the right side of the homepage under “New Coverage Added!,” click on “Create Member Account.” Once you log in, create an additional username and password to activate identity theft monitoring.

Step 3:
If you have family coverage you can add a spouse, domestic partner or adult dependent children after enrolling yourself. Click on the “Additional Adult Account” link that will appear on the right side of the member homepage at ARAGLegalCenter.com after you have enrolled.

Please Note:
- To create an account, you may need to update your browser. Only the latest two versions of major browsers are supported.
- To activate spouse/domestic partner monitoring, the member must be activated first.
