

## Bradbury Science Museum - Science on Wheels

**Our Mission:** To stimulate interest in and enthusiasm for science, technology, engineering and mathematics and promote public understanding and appreciation of Los Alamos National Laboratory

**Our Vision:** The public interested in and excited about science, technology, engineering and mathematics, and the work of Los Alamos National Laboratory

### Program Description

During the school year, the [Bradbury Science Museum](#) Educators drive there van to schools within 90 miles of Los Alamos on Tuesdays and Thursdays. They visit with a minimum of four classes in one location at the school for 1-hour sessions. The programs are participatory and highly engaging. Bradbury staff schedule trips as [requests](#), are received on a first-come first-served basis.
