

Certificate in Environmental Monitoring

Issue No. 41

Program Coordinator

Name Michael McNaughton

Phone # +1 505 667 6130

Program Description:

The Certificate in Environmental Monitoring is a 17-credit course of study offered in conjunction with Northern New Mexico College, NNMC, to environmental staff and technicians employed by the Accord Pueblos. It was requested by the Governors of the four Accord Pueblos and is sponsored by LANL, UC, and the DOE. The participants study at LANL under the supervision of LANL staff and technicians, and receive credit with NNMC.
