

**AUTHORIZED SUN - LINUX - ORACLE TRAINING SCHEDULE**  
**January / April 2005**

CDS, as the exclusive "Authorized Sun Education Provider" in New Mexico, is connected with the specific training needs of the local market. Besides Sun classes, CDS is beginning to offer Linux classes with the best seasoned certified instructors and quality assurance instructor led methodology. This schedule is categorized by CDS specific need but we also suggest subsequent classes marked "Also available".
