In resolving conflicts, discrepancies, errors or omissions, the following order of precedence, from highest to lowest, shall be used:

1. General Condition titled 'FAR and DEAR Clauses Incorporated by Reference'

SUBCONTRACTOR shall execute and deliver to CONTRACTOR any documents as may be required to effect or to evidence such compliance. All laws and regulations required to be incorporated in agreements such as this one are hereby incorporated herein by reference.

SUBCONTRACTOR is required to pay such New Mexico Gross Receipts Tax (NMGRT) as may be required by law. CONTRACTOR will issue a New Mexico Nontaxable Transaction Certificate (NTTC) to all Subcontractors who provide goods or services to CONTRACTOR, on the condition that SUBCONTRACTOR only uses the NTTC as permitted by New Mexico law. Furthermore, SUBCONTRACTOR shall not make any announcement, release any photographs, or release any information concerning this subcontract, or the Laboratory, or any part thereof to any member of the public, press, business entity, or any other third party unless prior written consent is obtained from CONTRACTOR. The Products shall not be deemed accepted until finally inspected and accepted by CONTRACTOR’S representative at final destination. The making or failure to make an inspection, examination or test of, or payment for, or acceptance of the Products shall in no way relieve the SUBCONTRACTOR from its obligation to conform to all of the requirements of this Subcontract and shall in no way impair CONTRACTOR’S right to reject or revoke acceptance of nonconforming Products, or to avail itself of any

the parties. Any request by the SUBCONTRACTOR for adjustment under this Changes clause must be

documents, SUBCONTRACTOR shall submit, within thirty (30) days from the date of
SUBCONTRACTOR’S receipt of such comments, any request for adjustment which would result from

and no action based upon any claim or dispute arising under, or relating to, this subcontract shall

(d) **Filing a Claim/Subcontract Administrator’s Decision.**

(1) Unless otherwise provided in this subcontract, SUBCONTRACTOR must file any claim against CONTRACTOR within sixty (60) Days after SUBCONTRACTOR knew or should have known the facts giving rise to the claim. Failure to file a claim within the period prescribed by this paragraph shall constitute a waiver of SUBCONTRACTOR’S right, if any, to an equitable adjustment under the subcontract.

(2) SUBCONTRACTOR shall submit any claim in writing to the Subcontract Administrator who shall issue a decision on the matter within sixty (60) Days of receipt of the claim. If the Subcontract Administrator fails to issue a decision within sixty (60) Days, SUBCONTRACTOR may request mediation or demand for arbitration as provided in paragraphs (e) and (f) of this clause.

(1) If the decision of the Subcontract Administrator is not satisfactory to SUBCONTRACTOR, or the Subcontract Administrator has failed to timely issue a decision in accordance with subparagraph (d) 2) of this provision, and SUBCONTRACTOR desires to pursue further action, SUBCONTRACTOR may request that the matter be scheduled for mediation. The request for mediation must be made within forty-five (45) Days after receipt of the Subcontract Administrator’s decision.

(2) If the Subcontract Administrator believes that mediation of the dispute is likely to lead to a satisfactory resolution, he or she will so inform SUBCONTRACTOR and the matter will be scheduled for mediation. The parties will agree on the format of the mediation and will jointly select the mediator. The cost of the mediator and related expenses shall be divided evenly between the parties.

(3) If the Subcontract Administrator decides that mediation is not likely to lead to a satisfactory resolution of the claim, or that a mediation undertaken pursuant to this clause has been unsuccessful, he or she will so inform SUBCONTRACTOR in writing.

(f) **Demand for Arbitration.** If the decision of the Subcontract Administrator is not satisfactory to SUBCONTRACTOR, or if SUBCONTRACTOR’S request for mediation has been denied, or a mediation undertaken pursuant to paragraph (e) of this clause has been unsuccessful, or the Subcontract Administrator has failed to timely issue a decision in accordance with subparagraph (d) 2) of this clause, and SUBCONTRACTOR desires to pursue further action, SUBCONTRACTOR must submit to the Board a written demand for arbitration of the claim within forty-five (45) Days after receipt of the Subcontract Administrator’s decision, or within forty-five (45) Days after the Subcontract Administrator notifies SUBCONTRACTOR that its request for mediation has been denied or that the mediation undertaken pursuant to paragraph (e) has been unsuccessful, whichever is later.
(g) **Arbitration Procedures/Costs.** The Board shall arbitrate the claim and any counterclaims in accordance with the Rules of the Board. All claims for $100,000 or less shall be arbitrated under the Board’s Small Claims (Expedited) Procedure. All other claims, regardless of dollar amount, shall be arbitrated under the Board’s Accelerated Procedure. Both parties shall be afforded an opportunity to be heard and to present evidence in accordance with the Rules of the Board. Unless the Board orders otherwise, each party shall pay its own costs of prosecuting or defending an arbitration before the Board.

(h) **Review of Arbitration Decision.** An arbitration decision shall be final and conclusive unless a party files a timely action to vacate, modify, or correct the decision pursuant to the Federal Arbitration Act.

(i) **Subcontractor Performance Pending Claim Resolution.** SUBCONTRACTOR shall proceed diligently with performance of the subcontract and shall comply with any decision of the Subcontract Administrator pending final resolution of any claim or dispute arising under, or relating to, the subcontract.

(j) **Choice of Law.** The subcontract shall be governed by federal law as provided in this paragraph. Irrespective of the place of award, execution, or performance, the subcontract shall be construed and interpreted, and its validity determined, according to the federal common law of government contracts as enunciated and applied to prime government contracts by the federal boards of contract appeals and federal courts having appellate jurisdiction over their decisions rendered pursuant to the Contract Disputes Act of 1978. The Federal Arbitration Act, other federal statutes, and federal rules shall govern as applicable. To the extent that federal common law of government contracts is not dispositive, the laws of the State of New Mexico shall apply.

(k) **Interest.** Interest on amounts adjudicated due and unpaid by a party shall be paid from the date the complaining party files a demand for arbitration with the Board. Interest on claims shall be paid at the rate established by the Secretary of the Treasury of the United States pursuant to Public Law 92-41 (85 Stat. 97).

**GC-38A  RECORDS AND AUDIT (Jan 2010)**

SUBCONTRACTOR shall maintain records and accounts in connection with the performance of this Subcontract for a period of three (3) years from final payment unless otherwise specified by applicable law. Such records and accounts shall accurately document incurred costs, both direct and indirect, of whatever nature. CONTRACTOR, Owner or their representatives shall have the right to examine and copy, at all reasonable times and with advance notification, such records and accounts for the purpose of verifying payments or requests for payment when costs are the basis of such payment or to evaluate the reasonableness of proposed Subcontract price adjustment requests and claims.

If CONTRACTOR or Owner establishes uniform codes of accounts for the Project, SUBCONTRACTOR shall use such codes in identifying its records and accounts.

**GC-39E  WARRANTIES (Jan 2010)**

Unless otherwise provided in this Subcontract, the following warranties shall apply. SUBCONTRACTOR warrants that the Products shall (1) be free from liens and from defects in design, material, workmanship, and title; (2) conform in all respects to the terms of this Subcontract and to the applicable drawings; and (3) be new and of the best quality, if no quality is specified. If, any time prior to one (1) year from the date of CONTRACTOR’S acceptance (or with respect to liens, title or latent defects at any time ), or SUBCONTRACTOR’S most favored customer warranty term, whichever is longer, it appears that the Products, or any part thereof, do not conform to these warranties, and CONTRACTOR so notifies SUBCONTRACTOR within a reasonable time after its discovery, SUBCONTRACTOR shall promptly correct such nonconformity to CONTRACTOR’S satisfaction, at SUBCONTRACTOR’S sole expense. If SUBCONTRACTOR fails to promptly correct such nonconformity to CONTRACTOR’S satisfaction, CONTRACTOR may (1) reject or revoke acceptance, and cover by making any reasonable purchase of
Products in substitution for those rejected, and SUBCONTRACTOR shall be liable to CONTRACTOR for any additional costs for such substituted Products; or (2) proceed to correct SUBCONTRACTOR’S nonconforming work by the most expeditious means available, and the costs for such correction shall be for SUBCONTRACTOR’S account; or (3) retain the nonconforming Products and an equitable adjustment satisfactory to CONTRACTOR, reducing the order price to reflect the diminished value of such nonconforming Products, shall be made by SUBCONTRACTOR.

SUBCONTRACTOR’S liability hereunder shall extend to all damages proximately caused by the breach of any of the foregoing warranties, including incidental damages, such as disassembly, removal, inspection, re-installation, re-testing, and costs of transportation or warehousing.

CONTRACTOR and Owner shall have the right to enforce SUBCONTRACTOR’S warranty obligations set forth in this clause.

**GC-41A INDEMNITY (Jan 2010) (Applies only if work is performed on site at LANL)**

To the maximum extent permitted by applicable law but no further, SUBCONTRACTOR shall indemnify and defend CONTRACTOR and Government, and their subsidiaries and affiliates and the officers, agents, employees, successors and assigns and authorized representatives of all the foregoing, from and against all suits, actions, loss, damage, expense and liability for injury or harm to persons or property resulting from, arising out of, or in any way connected with the performance of this Subcontract, including, but not limited to, property damage, injury or death of any person, including employees of CONTRACTOR, Government or SUBCONTRACTOR, and the breach by SUBCONTRACTOR of any representation, warranty, covenant or performance obligation under this Subcontract.

SUBCONTRACTOR’S aforesaid indemnity obligations shall apply to the fullest extent permitted by law, but in no event shall they apply to liability to the extent caused by the negligence or willful misconduct of CONTRACTOR or Government.

CONTRACTOR, Government and the insurers of each shall not financially contribute in any way to defense and indemnity obligations of SUBCONTRACTOR, whether or not covered by insurance.

SUBCONTRACTOR specifically waives any immunity provided against this indemnity by an industrial insurance or workers’ compensation statute.

**GC-42C PATENT, TRADEMARK, COPYRIGHT OR TRADE SECRET INFRINGEMENT INDEMNITY (Jan 2010)**

SUBCONTRACTOR shall, at its own expense, indemnify, hold harmless and defend CONTRACTOR and Owner against any and all claims, legal actions, final judgments, reasonable attorneys’ fees, fines and any other losses which they incur that are based upon a claim, whether rightful or otherwise, that any Products or parts thereof, furnished by SUBCONTRACTOR under this Subcontract, constitute an infringement of any patent, copyright, trademark or trade secret. If said Products, or any part thereof, are held to constitute infringement and/or their use is enjoined, SUBCONTRACTOR shall, at its own expense, pay all resulting damages and costs, and subject to the following provisions, either procure for CONTRACTOR and Owner an irrevocable, royalty-free license to continue using such Products, or with CONTRACTOR’S prior written approval, replace same with substantially equal but non-infringing Products or modify them so they become non-infringing, provided that no such replacement or modification shall in any way amend or relieve SUBCONTRACTOR of its warranties and guarantees set forth in this Subcontract.

The preceding paragraph shall not apply to any Products, or any part thereof, manufactured to CONTRACTOR’S or Owner’s detailed design. As to such Products or any part thereof, the SUBCONTRACTOR assumes no liability whatsoever for infringement.

This indemnity is given upon the condition that CONTRACTOR or Owner shall promptly notify SUBCONTRACTOR of any claim or suit or proceeding in which such infringement is alleged, and shall permit SUBCONTRACTOR to control completely the defense or compromise of any such allegation of
infringement, and shall render such reasonable assistance at SUBCONTRACTOR’S cost in the defense thereof as SUBCONTRACTOR may require.

Notwithstanding any proprietary legends or copyright notices to the contrary, CONTRACTOR or Owner may copy or reproduce documents and information furnished by SUBCONTRACTOR in connection with SUBCONTRACTOR’S proposal and with this Subcontract and distribute such copies or reproductions to others for the limited purposes of designing, constructing, operating, maintaining or licensing a project in which any Products furnished by SUBCONTRACTOR under this Subcontract are to be incorporated. SUBCONTRACTOR is responsible for obtaining necessary permission and releases from any third parties placing proprietary rights or copyrights on such documents or information and shall, at its own expense, hold harmless and defend CONTRACTOR and Owner against any and all claims, suits or proceedings based upon a claim whether rightful or otherwise that a proprietary right or copyright has been infringed by copying, reproduction, distribution or use by CONTRACTOR or Owner.

GC-43 ASSIGNMENTS (Jun 2009)
(a) Any assignment of this subcontract or rights hereunder, in whole or part, without the prior written consent of CONTRACTOR shall be void, except that upon ten (10) calendar days written notice to CONTRACTOR, SUBCONTRACTOR may assign, with CONTRACTOR’S approval, claims for monies due or to become due hereunder to a bank, trust company, or other financial institution including any federal lending agency. Any such assignment may cover all amounts payable under this subcontract and not already paid, and shall not be made to more than one party, except that any such assignment may be made to one party, as agent or trustee of two or more parties participating in SUBCONTRACTOR’S financing. Payments to an assignee of any monies due, or to become due hereunder, shall be subject to setoff or recoupment for any present or future claim or claims which CONTRACTOR may have against SUBCONTRACTOR arising under this and other subcontracts. Upon such assignment, SUBCONTRACTOR shall provide CONTRACTOR with two copies of any such assignment and shall indicate on each invoice to whom payment is to be made.

(b) This subcontract may be assigned by CONTRACTOR, in whole or in part, to GOVERNMENT or to others upon written notice to SUBCONTRACTOR.

(c) No assignment will be approved which would relieve SUBCONTRACTOR or its sureties, if any, of their responsibilities under this subcontract.

GC-44A SUSPENSION / EXTENSION (Jan 2010)
Notwithstanding any other provisions of this Subcontract, CONTRACTOR may at any time, suspend, or extend the time for SUBCONTRACTOR’S performance, upon ten (10) days prior written notice of such suspension or extension. Thereafter, SUBCONTRACTOR shall resume performance as directed by CONTRACTOR. In the event of such suspension or extension, SUBCONTRACTOR shall be entitled to reimbursement for additional costs, excluding profit, reasonably and necessarily incurred by SUBCONTRACTOR in effectuating such suspension or extension period, to the extent that such additional costs are actually incurred, if claimed within thirty (30) days after resumption of performance.

GC-50 NON-WAIVER (Jan 2010)
(a) Failure by CONTRACTOR to insist upon strict performance of any terms or conditions of this subcontract shall not operate as, nor be deemed to be, a waiver or release of SUBCONTRACTOR’S obligations under this subcontract. The following illustrative examples include but are not limited to:

(1) Failure or delay to exercise any rights or remedies provided herein or by law;

(2) The acceptance of or payment for any goods or services hereunder;
(3) Failure to properly notify SUBCONTRACTOR in the event of breach of any obligation;

(4) The review or failure by CONTRACTOR to review SUBCONTRACTOR submissions;

(5) The inspection and test by CONTRACTOR or the failure to inspect and test the Work; and

(6) The termination either in whole or in part of Work under this subcontract.

(b) CONTRACTOR or GOVERNMENT reserves the right to insist upon strict performance hereof and to exercise any of its rights or remedies as to any prior or subsequent default hereunder.

All Representations and Certifications provided by SUBCONTRACTOR are incorporated by reference and made part of this subcontract.

GC-59 CERTIFICATION REGARDING FORMER UC OR CONTRACTOR EMPLOYEES (Jun 2009)

(a) Effective June 1, 2006, individuals who retire under CONTRACTOR’S Defined Benefit Pension Plan, who wish to begin a retirement benefit, are required to have a true and complete severance from CONTRACTOR with no prior prearrangement for reemployment with CONTRACTOR or any of CONTRACTOR’S affiliated companies or subcontractors to do similar work. This can be documented by completing a form at the time of termination stating that no prearrangement for reemployment existed prior to the termination, and by demonstrating a true and complete severance from CONTRACTOR for at least one year before working for any of CONTRACTOR’S affiliated companies or subcontractors.

(b) Effective June 1, 2006, individuals who retire under CONTRACTOR’S TCP 2 401(k) Retirement plan, before attaining age 59 ½, are required to have a true and complete severance from CONTRACTOR with no prior prearrangement for reemployment with CONTRACTOR or any of CONTRACTOR’S affiliated companies or subcontractors to do similar work. This can be documented by completing a form at the time of termination stating that no prearrangement for reemployment existed prior to the termination, and by demonstrating a true and complete severance from CONTRACTOR for at least one year before working for any of CONTRACTOR’S affiliated companies or subcontractors. Individuals who retire under CONTRACTOR’S TCP 2 401(k) Retirement plan after age 59 ½ can be immediately reemployed.

(c) An individual who retired under the University of California Retirement Plan (UCRP) or the Public Employees Retirement System (PERS) may be immediately reemployed by any of CONTRACTOR’S affiliated companies or subcontractors, unless that individual also retired under one of CONTRACTOR’S retirement plans in which case such individual must also comply with paragraph (a) or (b) above.

(d) Any former employee of CONTRACTOR or of the University of California (UC) who was terminated for cause or who resigned in lieu of termination for cause is prohibited from returning to work at Los Alamos National Laboratory (LANL) for a period of seven (7) years, unless there is a compelling reason to allow such individual to return to LANL sooner. SUBCONTRACTOR and its lower tier subcontractors may not employ any former employee of CONTRACTOR or of UC, who was terminated for cause or who resigned in lieu of termination for cause, for any on-site work at LANL or for any work under this subcontract in which such former employee may have any direct or indirect substantive contact with a current CONTRACTOR employee, unless approved by CONTRACTOR in writing prior to commencement of work by SUBCONTRACTOR.

1. whether the applicant or employee was a former UC or CONTRACTOR employee, and if so, the date of separation;
2. whether the separation was the result of retirement, termination for cause, or resignation in lieu of termination for cause;
3. whether the applicant or employee is a member of CONTRACTOR’S Defined Benefit Pension Plan or Contractor’s TCP 2, 401(k) Plan; and
4. confirmation that, if the applicant or employee retired under one of CONTRACTOR’S retirement plans, to the extent described above, the applicant had no prior prearrangement for reemployment by SUBCONTRACTOR or one of its lower tier subcontractors prior to termination.

(f) CONTRACTOR may exclude SUBCONTRACTOR from future subcontracts for a reasonable, specified period, if CONTRACTOR determines that SUBCONTRACTOR breached any of the requirements contained in paragraphs (a) through (d) of this clause.

(g) SUBCONTRACTOR shall ensure that the substance of this clause is included in all lower-tier subcontracts awarded pursuant to this subcontract.

FAR 52.225-23 Required Use of American Iron, Steel, and Other Manufactured Goods — Buy American Act — Construction Materials Under Trade Agreements (Aug 2009) [Applicable only to contracts for the construction work as defined under the Federal Acquisition Regulation.]

(a) Definitions. As used in this clause—

“Construction material” means an article, material, or supply brought to the construction site by the Contractor or subcontractor for incorporation into the building or work. The term also includes an item brought to the site preassembled from articles, materials, or supplies. However, emergency life safety systems, such as emergency lighting, fire alarm, and audio evacuation systems, that are discrete systems incorporated into a public building or work and that are produced as complete systems, are evaluated as a single and distinct construction material regardless of when or how the individual parts or components of those systems are delivered to the construction site. Materials purchased directly by the Government are supplies, not construction material.

“Domestic construction material” means—

(1) An unmanufactured construction material mined or produced in the United States; or

(2) A construction material manufactured in the United States.

“Foreign construction material” means a construction material other than a domestic construction material.

“Free trade agreement (FTA) country construction material” means a construction material that—

(1) Is wholly the growth, product, or manufacture of an FTA country; or

(2) In the case of a construction material that consists in whole or in part of materials from another country, has been substantially transformed in an FTA country into a new and different construction material distinct from the materials from which it was transformed.

“Least developed country construction material” means a construction material that—

(1) Is wholly the growth, product, or manufacture of a least developed country; or

(2) In the case of a construction material that consists in whole or in part of materials from another country, has been substantially transformed in a least developed country into a new and different construction material distinct from the materials from which it was transformed.

“Manufactured construction material” means any construction material that is not unmanufactured construction material.

“Recovery Act designated country” means any of the following countries:
(1) A World Trade Organization Government Procurement Agreement (WTO GPA) country (Aruba, Austria, Belgium, Bulgaria, Canada, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hong Kong, Hungary, Iceland, Ireland, Israel, Italy, Japan, Korea (Republic of), Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Singapore, Slovak Republic, Slovenia, Spain, Sweden, Switzerland, Taiwan, or United Kingdom);

(2) A Free Trade Agreement country (FTA) (Australia, Bahrain, Canada, Chile, Costa Rica, Dominican Republic, El Salvador, Guatemala, Honduras, Israel, Mexico, Morocco, Nicaragua, Oman, Peru, or Singapore); or

"Recovery Act designated country construction material" means a construction material that is a WTO GPA country construction material, an FTA country construction material, or a least developed country construction material.

"Steel" means an alloy that includes at least 50 percent iron, between .02 and 2 percent carbon, and may include other elements.

"United States" means the 50 States, the District of Columbia, and outlying areas.

"Unmanufactured construction material" means raw material brought to the construction site for incorporation into the building or work that has not been—

(1) Processed into a specific form and shape; or

(2) Combined with other raw material to create a material that has different properties than the properties of the individual raw materials.

"WTO GPA country construction material" means a construction material that—

(1) Is wholly the growth, product, or manufacture of a WTO GPA country; or

(2) In the case of a construction material that consists in whole or in part of materials from another country, has been substantially transformed in a WTO GPA country into a new and different construction material distinct from the materials from which it was transformed.

(b) Construction materials.

(i) Section 1605 of the Recovery Act by requiring, unless an exception applies, that all iron, steel, and other manufactured goods used as construction material in the project are produced in the United States; and

(ii) The Buy American Act by providing a preference for unmanufactured domestic construction material.

(2) The Contractor shall use only domestic or Recovery Act designated country construction material in performing this contract, except as provided in paragraphs (b)(3) and (b)(4) of this clause.

(3) The requirement in paragraph (b)(2) of this clause does not apply to the construction materials or components listed by the Government as follows:

None [Contracting Officer to list applicable excepted materials or indicate “none”.]

(4) The Contracting Officer may add other construction material to the list in paragraph (b)(3) of this clause if the Government determines that—

(i) The cost of domestic construction material would be unreasonable.

(A) The cost of domestic iron, steel, or other manufactured goods used as construction material is unreasonable when the cumulative cost of such material will increase the overall cost of the contract by more than 25 percent;

(B) The cost of unmanufactured construction material is unreasonable when the cost of such material exceeds the cost of foreign material by more than 6 percent;

(ii) The construction material is not mined, produced, or manufactured in the United States in sufficient and reasonably available commercial quantities of a satisfactory quality; or

(iii) The application of the restriction of section 1605 of the Recovery Act or the Buy American Act to a particular construction material would be inconsistent with the public interest.

(c) Request for determination of inapplicability of section 1605 of the Recovery Act or the Buy American Act.

(1) Any Contractor request to use foreign construction material in accordance with paragraph (b)(4) of this clause shall include adequate information for Government evaluation of the request, including—

(A) A description of the foreign and domestic construction materials;

(B) Unit of measure;

(C) Quantity;

(D) Cost;

(F) Location of the construction project;
(G) Name and address of the proposed supplier; and

(H) A detailed justification of the reason for use of foreign construction materials cited in accordance with paragraph (b)(4) of this clause.

(ii) A request based on unreasonable cost shall include a reasonable survey of the market and a completed cost comparison table in the format in paragraph (d) of this clause.

(iii) The cost of construction material shall include all delivery costs to the construction site and any applicable duty.

(iv) Any Contractor request for a determination submitted after contract award shall explain why the Contractor could not reasonably foresee the need for such determination and could not have requested the determination before contract award. If the Contractor does not submit a satisfactory explanation, the Contracting Officer need not make a determination.

(2) If the Government determines after contract award that an exception to section 1605 of the Recovery Act or the Buy American Act applies and the Contracting Officer and the Contractor negotiate adequate consideration, the Contracting Officer will modify the contract to allow use of the foreign construction material. However, when the basis for the exception is the unreasonable cost of a domestic construction material, adequate consideration is not less than the differential established in paragraph (b)(4)(i) of this clause.

(3) Unless the Government determines that an exception to the section 1605 of the Recovery Act or the Buy American Act applies, use of foreign construction material other than that covered by trade agreements is noncompliant with the applicable Act.

(d) Data. To permit evaluation of requests under paragraph (c) of this clause based on unreasonable cost, the Contractor shall include the following information and any applicable supporting data based on the survey of suppliers:
