OBLIGATION:

We, the Principal and Surety(ies), are firmly bound to the United States of America (hereinafter called the Government), and Triad National Security, LLC (hereinafter called Triad) in the above penal sum. For payment of the penal sum, we bind ourselves, our heirs, executors, administrators, and successors, jointly and severally. However, where the Sureties are corporations acting as co-sureties, we, the Sureties, bind ourselves in such sum "jointly and severally" as well as "severally" only for the purpose of allowing a joint action or actions against any or all of us. For all other purposes, each Surety binds itself, jointly and severally with the Principal, for the payment of the sum shown opposite the name of the Surety. If no limit of liability is indicated, the limit of liability is the full amount of the penal sum.

The Surety (Sureties) acknowledge that the Principal is obligated to provide Triad with a Performance Bond equal to one hundred percent (100%) of the total subcontract price throughout the term of the Subcontract. Therefore, the Surety (Sureties) consent(s) to subcontract modifications that increase or decrease the subcontract price above or below the above stated penal sum and further agree that its (their) bond or bonds shall apply and extend to the subcontract as modified. The Surety (Sureties) will from time to time send a bond general status inquiry and will bill the Principal for any additional premium owed as a result of any increase to the subcontract amount since the last bond general status inquiry.

CONDITIONS:

The Principal has entered into the subcontract identified above.

THEREFORE:

The above obligation is void if the Principal

- (a) (1) Performs and fulfills all the undertakings, covenants, terms, conditions, and agreements of the subcontract during the original term of the subcontract and any extensions thereof that are granted by Triad, with or without notice to the Surety(ies), and during the life of any guaranty required under the subcontract; and (2) performs and fulfills all the undertakings, covenants, terms, conditions, and agreements of any and all duly authorized modifications of the subcontract that hereafter are made. Notice of those modifications to the Surety(ies) are waived.
- (b) Pays to the Government the full amount of the taxes imposed by the Government, which are collected, deducted, or withheld from wages paid by the Principal in carrying out the construction subcontract with respect to which this bond is furnished.

WITNESS:

The Principal and Surety(ies) executed this performance bond and affixed their seals on the above date.
