March 3, 2021

In-person and Online events

March 9 - Migrating songbirds presentation

Santa Fe Community College's Library will present "Migrating Songbirds – Small and Mighty," an online presentation with SFCC science professor Lenny Gannes at 1 p.m. [Free registration is required.](#)

March 11 - Night with a Nerd with Alan Carr: Beyond the Moon

Join Laboratory historian Alan Carr as he [discusses the legacy of the Rover Program](#) which between 1955 and 1973 worked to build a reactor engine for space travel intended to carry astronauts far beyond the moon.

March 12 - Garden Sprouts online

The Santa Fe Botanical Garden has moved its [weekly story time and activity session online](#). Designed for 3-5 year olds and their caregiver (but all are welcome) you can listen to a book and participate in nature-related activities with common materials at your own home.

March 15 - Science on Tap: Modeling Wildfires

With the start of wildfire season right around the corner, this [virtual Science on Tap event](#) from the Bradbury Science Museum with Laboratory researcher Alex Jonko will give you details on how the Laboratory uses computer modeling to tackle fire's seeming unpredictability.

March 18 - Santa Fe Community Foundation Executive Director Learning Circle

Kyra Ochoa and Rich Brown, department directors with the City of Santa Fe, [talk about how they work with the nonprofit sector](#) to close gaps in serving the community, and what the city is doing to support the needs of small businesses and nonprofit agencies especially during COVID.

March 18 - Virtual subcontractor forum

If you are a current or prospective subcontractor of the Laboratory, consider attending this [free online event](#) to learn more about doing business with the Laboratory and future opportunities.

March 24 - Free food distribution, Taos

The fourth Wednesday of every month, The Shared Table program hosts a free food distribution at El Pueblito United Methodist Church in El Prado from 11 a.m. until noon, and at the Talpa Community Center from 2 p.m. until 3 p.m.

March 26 - Deadline for Del Norte Credit Union Scholarship applications

The [DNCU scholarship program](#) assists high school seniors, equivalent home school seniors, or recipients of a GED who plan to continue their education in college or vocational school programs. Ten awards of \$1,000 are available.

April 5 - Los Alamos Newcomers Monday Mixer

Join the Los Alamos Chamber of Commerce and project Y cowork Los Alamos for [this monthly virtual information](#) and Q&A event to welcome newcomers to the community.

Ongoing COVID-19 Resources

[New Mexico Health Department](#)

Latest news and advice from the state.

[Assistance for Individuals](#)

List of organizations and programs offering assistance for individuals, categorized by the type of need.

[Meals for Children](#)

Organized by school district.

[Assistance for Businesses](#)

The New Mexico Economic Development Department is a good starting point for businesses looking for assistance.

[Resources for Nonprofits](#)

The Center for Nonprofit Excellence, United Way of Central New Mexico (CNPE), the New Mexico Association of Grantmakers (NMAG) and New Mexico Thrives have collected a [valuable list of information and resources](#) for New Mexico nonprofits.

[Online Education Resources](#)

Laboratory-supported hub for online and remote family-friendly and place-based learning in science, technology, engineering, arts, and math for Northern New Mexico, including a map of free internet hotspot sites.

Have a community event you think we should feature? Email the details (including web link) to connections@lanl.gov

Los Alamos National Laboratory
