Los Alamos, NM 87544

Dear Los Alamos National Laboratory Employee, member of the Los Alamos Community, or other friend of the Bradbury Science Museum,

I am writing today to tell you about an exciting new opportunity! As of May 1, 2016, we are launching the Bradbury Science Museum Association (BSMA). Our purpose is to amplify the Bradbury Science Museum's (BSM) mission and visitor experience as its official nonprofit partner, operating under the IRC 509(a)(2) exclusion. We strive to promote public learning about the valuable history, noteworthy accomplishments, and ongoing scientific and technological innovation of the Los Alamos National Laboratory through the BSM.

Won't you join us as a BSMA Member, Sponsor or Business Partner? You will find details about these programs inside this flyer, and an application form below. You can mail the form to us at the address above or send it via email to bsma.membership@gmail.com.

Sincerely,

JoAnn Lysne
BSMA President
