## **July 4: Firecracker 5K Fun Run**

The Los Alamos Family YMCA hosts this 3.1-mile jaunt around town. [Sign up here.](#)

## **July 4: Independence Day**

Happy 241<sup>st</sup> birthday, America!

## **July 6: Nature On Tap**

5:30–7 p.m. at UnQuarked

## **July 9–14: ASM Materials Camp**

An [event](#) for teachers to learn how to engage students using simple, low-cost experiments. Four CEUs, demonstration materials, lunches, and snacks are included. The event takes place at Manzano High School in Albuquerque.

## **July 11: Regional High-tech Roundtable**

This event, held at the Violet Crown in Santa Fe, is sponsored by the Richard P. Feynman Center for Innovation, Santa Fe Economic Development Department, Regional Development Corporation, and the New Mexico Technology Council.

## **July 11: History Adventures**

Hands-on history activities for students in grades K–3 at 10 and 11 a.m. at the Los Alamos History Museum.

## **July 11, 18, 25: TED Talk Tuesday**

Every Tuesday at noon, bring your lunch to projectY, watch a TED talk, and discuss. See each week's topic [here](#).

## **July 13: Ranch School Nights**

Part of ScienceFest, each [adult-only \\$50 ticket](#) includes dinner and a complimentary drink. The night will also feature music: guitar and campfire songs, a root beer float station, gourmet s'mores toasted on the campfire, and lawn games.

## **July 13: Youth Council Planning Session**

Eight Northern Indian Pueblos Council is looking to host another ENIPC Youth Council meeting to share information on a Youth Council conference. This planning session starts at 9 a.m. at ENIPC.

## **July 13–16: Los Alamos ScienceFest**

Los Alamos's signature event features live music and entertainment, STEM activities and demonstrations, historical tours and hikes, a beer garden, and more. [Learn more here](#).

ScienceFest is a highlight of summer in Los Alamos.

## **July 18: Hour of Code**

Bring your laptop, tablet, or smart phone and gather with others interested in exploring the world of coding and try an Hour of Code. This free event, hosted by New Mexico Tech Works, takes place at the Violet Crown Cinema in Santa Fe from 4:30–6 p.m.

## **July 20: Office hours with NM Economic Development Department**

Community members can meet one-on-one with Ryan Eustice, Community Business & Rural Development Team Region 2 Representative for the State of New Mexico Economic Development Department, from 9:30 a.m.–2:30 p.m. at projectY. He can help business owners and aspiring entrepreneurs navigate available state resources, assess the likelihood of receiving state incentives for their business, and help with business advocacy (including state and local regulations).

## **July 20: Science on Tap**

Sip local wine or beer, have a bite to eat, and listen to a Laboratory scientist. The talk starts at 5:30 p.m. at UnQuarked in Central Park Square in Los Alamos.

## July 21: Deadline for LAESF

Last day to donate to the [Los Alamos Employees' Scholarship Fund](#). Each year, through this scholarship fund, the LANL Foundation has the privilege of awarding scholarships to amazing students who have worked hard in and out of the classroom to become well-rounded individuals and members of their communities.

## August 3: Student Symposium

What have Laboratory summer students been up to? Come see for yourself at the 2017 student symposium.

ProjectY is a collaborative coworking space located in Los Alamos that offers many events every month. Photo: Samantha D'Anna Photography.

## Lab volunteers

Los Alamos National Laboratory's participation in STEM (science, technology, engineering, and math) events is made possible with support from the Department of Energy through the Laboratory's Science Education Community Service Time Program. To request STEM experts, complete a brief online [request form](#).

Los Alamos experts and volunteers can also be requested through the Laboratory's [Volunteer Program](#), which partners with the national [Volunteer Match](#) initiative.

## Speaker's bureau

The Laboratory has speakers with experience in a wide variety of subjects who can tailor their content for a range of audiences. Call 505-667-7000 to be matched with the right person for your audience.

## Calendar submissions

Los Alamos National Laboratory and the Laboratory's management company, Los Alamos National Security, LLC (LANS), help support the above events, programs and campaigns. To include your event or application deadline in upcoming calendars, email [connections@lanl.gov](mailto:connections@lanl.gov) with a brief description of your event and how the item is connected to the Laboratory or LANS.

---

*Community Connections* features news and opportunities that grow out of the Laboratory's Good Neighbor Pledge: "To partner with our neighbors on strengthening math and science learning, diversifying the economy, and expanding community giving in Northern New Mexico."
