DESCRIPTION OF CHANGE:

1. Solicitation provision 1.e. of the RFP Instructions to Offerors for this project stated that an Offeror must allow a minimum of two hundred forty (240) calendar days for acceptance of its proposal(s). Based on the November 17, 2016, proposal due date as amended in Amendment No. 1, proposals are currently valid until July 15, 2017.

   This amendment changes the proposal validity language to state the following:

   An Offeror must allow until January 10, 2018 for acceptance of its proposal(s).

   This amendment shall not be construed as an opportunity for an Offeror to modify its proposal in any way. This amendment is only an opportunity for an Offeror to extend the date to which its proposal remains valid.

Failure to acknowledge this amendment in accordance with Instruction 2. in the RFP Instructions to Offerors may result in rejection of your proposal. Acknowledgment begins with signing and returning this amendment to the LANS Subcontract Administrator. Except as provided herein, all terms and conditions of the Request for Proposal are unchanged and remain in full force and effect.
