Los Alamos Dynamics
Summer School Program 2014

**Student:** Hannah Ross

**Bio:** Hannah Ross graduated in May 2014 from Tennessee Tech University with a BS in Mechanical Engineering, where she was president of her school's chapter of Tau Beta Pi and a member of the Pi Tau Sigma and Phi Kappa Phi honor societies. She will begin pursuing her MS in Mechanical Engineering at the University of Washington in September. Her research interests include renewable energy systems, and she plans to work with the Northwest National Marine Renewable Energy Center researching tidal energy in the Puget Sound area. In her spare time, Hannah enjoys hiking, cycling, and reading.
