

Axion Dark Matter eXperiment (ADMX) Data Quality Progress Report

1Q FY19

Leanne Duffy is the LANL PI for ADMX, simply referred to as the PI in this short report.

FY19 DOE-HEP funding was requested from Fermilab. The purchase order for FY19 work is currently being processed by Fermilab.

The PI participated in the ADMX collaboration meeting and Run 1C operational readiness review, December 13-15, with support from the LANL Science Program Office. The PI served on the ADMX internal review panel for the operational readiness review.
