Orthodontic Benefits			
Who is eligible for orthodontic treatment?	Employee, Spouse/Domestic Partner and dependent children		
What is the age limit for dependent children and Domestic Partners children?	Dependent children to the end of the month of age 26		
Is there an orthodontic benefit age limit for an Employee or Spouse/Domestic Partner?	No age limit		
How is orthodontic lifetime benefit paid by the plan?	The Plan will pay the applicable coinsurance towards the initial banding with the remaining balance divided into quarterly installments. The Plan will make payments on a quarterly basis as long as the member is eligible, the member is still in treatment, and the lifetime maximum has not been met.		
How does the Plan pay towards an orthodontic treatment in process?	If orthodontic treatment is currently in progress for you or one of your dependents, please ask your dentist to submit a new treatment Plan to Delta Dental. Delta Dental will receive the orthodontic lifetime maximum history from your previous carrier. Your orthodontic maximum benefit available under your new Plan will be reduced by the benefit amount used under your previous Plan.		

1) Schedule of higher fees applies. Delta Dental Premier Providers are subject to a schedule of higher Maximum Approved Fees than Delta Dental PPO Providers. You may have higher out-of-pocket costs when you visit a Delta Dental Premier Provider than if you visited a Delta Dental PPO Provider. This may be true even if the Coinsurance percentages are the same for these two types of Providers. You may have the lowest out-of-pocket costs when you select a Delta Dental PPO Provider. See the Summary of Dental Plan Benefits for more information on networks and cost sharing.**2) Balance billing applies.** Non-Participating Providers may bill you above the Non-Participating Maximum Approved Fees they receive from Delta Dental. You will have the highest out-of-pocket costs when you visit a Non-Participating Provider. This will be true even if the Coinsurance percentages in this column match the percentages for other types of Providers. In addition, Non-Participating Providers have not agreed to Delta Dental's in-network protections for Enrollees. See the Summary of Dental Plan Benefits for more information on networks and cost sharing.
